MEMORANDUM FOR THE RECORD:

SUBJECT: Compressed Method of Filing Inactive Records--Sweden.

25X1A9a 1. At the Annual Meeting of the Society of American Archivists, [REDACTED] made reference to a compressed method of filing records as practiced by Sweden. One of the official representatives from the Society of American Archivists in this Country brought back a set of plans and specifications for the equipment used in conjunction with the system. These were turned over to Mr. Victor Gondos, National Archives.

25X1A9a 2. [REDACTED] and I discussed this method of filing with Mr. Gondos at the National Archives and he gave us the opportunity to review these plans. Reference is made in the plans to British Patent Specification No. 352053. Reference is also made to the following:

Kjartan Sveinsson
National Archives
Reykjavik, Iceland

Dr. Ingvar Anderson, Director
National Archives
Stockholm, Sweden

Marks and Clark
Chartered Patent Agents
57 and 58 Lincolns Inn Fields
London, WC 2
British Patent Specification No. 352,053

25X1A9a 3. [REDACTED] will obtain from Mr. Gondos copies of these plans and specifications. In the event that we feel that they would be of some value in conjunction with our work, a set will be requested from the British Patent Office.
